 for Economic Affairs

Cameron,

I am organizing our advertising team as well as our cloud/AI team to come in and do a presentation on our previous work and possible future work on Census. I think in person would be best if the Under Secretary is open to that and possibly at least 45 minutes to allow us to make a visual presentation and have an open discussion. However, in order to get our "ducks in a row" and due to travel, any chance we could come in and present the week after Thanksgiving? Is that too late? If not, that is best for our AI, Cloud and Ads teams and I think would make our time with the Under Secretary most productive. Thanks and feel free to call and talk through if you wish, but hope this would be okay. Thanks.

12/20-21 work. Tuesday's generally harder for us. I can't do the first week of January, but the other dates work.

I got several dates from Arturo Vargas from the National Association of Latino Elected Officials (NALEO) which he can be in DC for a meeting.

December 8

December 19-21

January 3-5

January 9-12

January 16-19

Arturo is a committed supporter of the Census with ties to many stakeholder groups. Key issues for him will be confidentiality of the data (that is not sharing info with law enforcement agencies), advertising and partnership activities, use of administrative records, and activities in Puerto Rico.

I think a 1 hour meeting with him to talk about key issues for the 2020 Census would be good. The dates above are good for me except January 3-5 when I hope to be on a much needed vacation. Let me know what works for you and we will set it up.

Thanks.
